Someone Cares

Someone cares and always will.
The world forgets but God loves you still.
You cannot go beyond His love,
no matter what you're guilty of.
For God forgives until the end,
He is your faithful, loyal friend.
And though you try to hide your face,
there is no shelter any place
that can escape His watchful eye.
For on the earth and in the sky,
He's ever present and always there
to take you in His tender care
and bind the wounds and mend the breaks.
When all the world around forsakes,
someone cares and loves you still
and God is the someone who always will.

until we meet again, hold unto His faithful hand...

I'd like the tears of those who grieve to fry before the sun of happy memories that I leave when my life is done.
